Good Morning Danielle,

Could you please add this to the Agenda for the Council Meeting on April 3rd for discussion/approval.

Thank you,

Trista France

Good Morning Mayor and Council,

Please see the email below.

Subject: TECC Training

Good evening,

The department is hoping to suspend senior transportation on April 13th and 14th (Saturday and Sunday) so that two officers may attend TECC training hosted by the Island Medical Center. This training will help our ready response for critical incidents and working with the other island entities for large scale operations. If you need any other information, feel to get in touch with me.

Thank you for your time,

-Justin
