_____Attach a brief description of the nature of the minor work proposed and the materials to be used.
_____Attach one or more photograph(s) of the whole building including façade and any relevant elevations showing the area, item or feature proposed to be repaired or replaced. The Building Official or Historic District Commission may require additional information necessary to determine the work to be Minor Work.

If the Building Official determines that the proposed work is not Minor Work, the Building Official shall direct the applicant to complete an Application for New Work and/ or Application for Demolition or Moving work which will then be referred to the HDC.

I certify that the information provided in this Application and the documents submitted with this Application are true to the best of my information, knowledge and belief; and that the property where work will be undertaken has, or will have before the proposed project completion date, a fire alarm system or a smoke alarm complying with the requirements of the Stille-DeRossett-Hale single state construction code act, 1972 PA 230, MLC 125.1501 to 125.1531

VB Mackinac L.L.C.

Hoodie Building

Mackinac Island HDC,

We will be installing a new fire suppression system at 7331 Main Street (Hoodies Building) Starting this fall of 2026. This new system will require a warm room around the main riser for the system so we will be asking for your permission to add a new exterior entry door in place of an existing window. The new door and trim will match all existing doors currently in place at this location.

Thank you for your time!

Roy Shryock
