To whom it may concern,

I am writing to once again request your financial support for operations and maintenance needs at the Mackinac Island Medical Center. Community support has been a vital component to ensure we can continue to provide quality healthcare to meet the needs of the residents, workers and visitors of Mackinac Island. It is my hope that you will give my request for financial support serious consideration, as you have in the past.

I am happy to provide you with any information you may need regarding the allocation of these funds. Please reach out to me with any inquiries at 906-847-3962. Thank you again for your continued support.

Sincerely,

A handwritten signature in black ink, appearing to read "Julie Reaume".
