Hi. Matt. I spoke with the other board members regarding your request to build a fence near your property line. Although our bylaws prohibit fences between lots, and 2 other fences have been built (by arrangement with Brad C prior to the HOA) The board agrees that you have a "special need" A 3-rail fence would blend in to your landscape plan. Please check your boundary markers before building to prevent any Future issues. Hope this works for you. Regards. John
