REQUEST TO APPLY FOR MICF / SUN GRANT:

If the Canine / K9 Program agreement is renewed for another year I'd like to request that we be allowed to apply for the Mackinac Island Community Foundation Support Us Now Fund (SUN) Grant for the amount of \$1,570 for K9 Handler Sue Stejskal and K9 Captain Bean to attend tracking training in March. This along with the public relations aspect was a big part of us wanting a K9 in order to be able to find the lost / missing when those incidents occur. I'm told the Sun Grant will cover the majority of the costs except for at least 10%, which Sue Stejskal has agreed to cover any remaining balance on her own. We request your permission to apply for the MICF Sun Grant for the training. Thank you.

PROPOSED MOTION:

To authorize the Police Department to apply for the MICF Sun Grant for the K9 Program tracking training for up to \$1,570 with the condition that any additional expenses not covered under the grant are paid for by Sue Stejskal.
