Good Morning,

I have two more jobs to permit.

One is the DPW water inspections; we started these last week with just a truck and the hydro-vac trailer. We will need another truck to pull the air compressor. Some of the inspections require sidewalk removal. To keep the job moving, one crew will cut the sidewalk, fill and compact it, and one crew will just do the hydro-vac.

The other job is for Astrea. Plowing in pipe for fiber from the corner of Stonecliffe Rd and Forest Dr. The pipe will be run to Manor V and Green Shed condos.

Let me know if you have any questions.

Have a great Monday,

Tanya Johnston
