**Subject:** Little Traverse Permit-Mansion Roof Catwalk Install  
**Attachments:** IMG\_9029.jpeg

Danielle,

Good afternoon!

I am requesting pre-approval on the attached Little Traverse Tree Service permit.

The state mechanical inspector required a catwalk on the Mansion roof to accommodate access to our HVAC units. The catwalk arrived a couple weeks ago and the crew is scheduled to install on March 20th, 2024. This is the only date the crew has availability.

I emailed Dennis Dombrowski to see if this particular vehicle would be ok to permit while frost laws are on, as we need a hook and boom truck that can extend further than our permitted SkyTrak. Dennis called me and said he would allow this as long as there was no other cargo/equipment on the vehicle.

If you could forward my request to the mayor that would be great. We are trying to bring this truck to the Island on March 19th so we can have it positioned in time for crew arrival on the 20th. Please call anytime if you have any questions or concerns. Thank you!

Ben Horn
