Approval for \$250,000 from the Capital Funds for road paving.

**Discussion of Street Paving (Dennis D.)** – Dennis Dombroski has asked for \$250,000 for this FY's budget as a minimum amount for the repaving of roads throughout the City. There was an extensive conversation about paving, road and the causes that lead to the road's rapid deterioration. Some ordinances were also talked about during this conversation pertaining to the shoe's horses should be wearing during specific times of the year. The committee would like to meet with Brad Chambers to discuss shoe types worn be Carriage Tours horses. A recommendation by the Committee to council was made to approve the \$ 250,000 for road paving.
