Hi Jerry,

I just got through my minutes from the last meeting and here is a list of requests I had from Council

- Breakdown of luggage cart prices per city (and any other charges that may differ per city)
- Clarification for when cart charges will be applied
- Employee ticket price
- Additional $2.00 City bike license charge
- Dates for the schedule presented for St. Ignace Dock 1
- Additional date(s) that resident boat passes will be available since many residents will be gone on March 28th and 29th for local Spring Break
- Consideration of issuing child passes for those under the age of 5 rather than parents having to obtain the free tickets for each trip
- Addition of the resident pass price to the submitted list of rates and fees
- Present the full winter schedule to the City Council for review prior to publication

Anneke and Erin – If I missed anything, please add.

*end date for selling resident pass on a regular basis at the Star Line office

*Procedure for when a resident misses the cut off date to purchase a pass

Hope everyone is enjoying the sun!
