### Agenda Items – PLEASE AND SORRY!

**Discussion of the Library Bathroom** – The Committee was presented an invoice of what a week's cleaning would look like from Country Cleaning. They are the same company that clean our public restrooms. They would clean once a day five days a week for the summer season running simultaneously with our other contract. The committee recommends hiring them to clean the Library bathrooms. Total cost for the season \$5,000.00

**Discussion of the Community Hall/Bible Church** – The Committee had a conversation about the bible church using the Community Hall May – September on the available Sunday's. City attorney Erin Evashevski gave an opinion, that we allow them to use the hall with the proper fees as it is for the public's use, however with a caveat that if an event were to book for the weekend we would have to cancel the Bible Churches use of the hall for that particular Sunday. The committee recommends letting the Bible Church use the hall with the caveat in place.
