we are needing to get these permits extended from 1/9 – 1/30 due to the weather and time off for the holidays . With all the snow fall we've had a lot of time in moving snow and waiting for escorts so we would like to extend these .

update on the medical center

We are boring in conduit and so far, it is going well there are a lot of utilities in our path, so we are being extra careful not to damage any of them .

Update on May house

We will be starting this project when we finish the medical center part of that project feeds this one.

Thanks have a great day
