SUMMARY:

This year's Focus on the Future 2022 Conference is back as an *in-person* conference. The conference will be held from November 13 – 15, 2022 at the Newport Beach Marriott.

The Focus on the Future conference provides a forum for Self-Help Counties (Measure counties, such as Madera – Measure T), and other transportation agencies, elected officials, and the private sector to share experiences, highlight upcoming projects, and interact in a virtual environment. The conference continues to be the premier transportation conference in California, and when in-person brings over 800 people in attendance.

Early registration is now open for a discounted rate. **Please let Sheila Kingsley, on my staff, know if you are interested in attending this year's conference.** MCTC staff will make the appropriate conference and hotel reservation on your behalf. Sheila can be reached at sheila@maderactc.org.

FISCAL IMPACT:

No fiscal impact to the approved 2022-23 Overall Work Program and Budget.
