Board Meeting of April 24, 2024

AGENDA ITEM: 4-0

PREPARED BY: Jeff Findley, Principal Regional Planner

SUBJECT:

Draft Caltrans System Investment Strategy (CSIS) Comment Letter

Enclosure: Yes

Action: Information and Discussion Only

SUMMARY:

Caltrans has released the Draft Caltrans System Investment Strategy (CSIS). The CSIS establishes Caltrans investment framework with standard methodologies and processes to guide transportation investments decisions through a transparent and collaborative process. This framework applies to major capital projects proposed on the State Highway System (SHS) that have completed the Project Initiation Documents (PIDs) and are ready to seek competitive funding for environmental, design, right-of-way, and/or construction phases. The Draft Climate Action Plan for Transportation Infrastructure (CAPTI) Alignment Metrics is a companion document to the Draft CSIS that establishes eleven qualitative and quantitative metrics to assess alignment with the 10 CAPTI Guiding Principles. Caltrans accepted comments through April 15, 2024. Enclosed are the MCTC and other agency comment letters.
