SUBJECT: Letter of Support – Keep Our City Clean: Community-Led Litter Abatement & Workforce Pathways Application by the City of Madera

Dear Clean California Grant Review Committee,

On behalf of the Madera County Transportation Commission (MCTC), I am pleased to provide this letter of support for the City of Madera's proposal to the Clean California Community Cleanup and Employment Pathway (CCEP) Grant Program.

The City's proposed, "Keep Our City Clean," will deliver visible and lasting improvements by:

- Hosting a minimum of 12 community-led cleanup events between April 2026 and April 2027.
- Focusing on litter abatement, graffiti removal, and beautification in parks, trails, city entryways, alleys, shopping centers, and residential corridors.
- Creating workforce opportunities for residents of Madera.
- Expanding the "Help Keep Our City Clean" campaign to increase education, community engagement, and civic pride.

MCTC strongly supports this project and the City's leadership in advancing the goals of the Clean California program, particularly by serving disadvantaged neighborhoods, fostering community stewardship, and creating pathways to employment.

Sincerely,
