SUMMARY:

SGC is pleased to invite public comment on the [Draft Round 1 Regional Climate Collaboratives Program \(RCC\) Guidelines](#). The public comment period runs from February 8 to March 10, 2022.

This draft incorporates feedback received through four public listening sessions, focus groups, and key informant interviews conducted throughout Fall 2021. Feedback received by the March 10, 2022 deadline will inform a final version of the guidelines, which SGC will post on its website in mid-April in advance of SGC's public meeting on April 26, 2022.

SGC is accepting public comment through written comments and a series of public workshops.

The Inland California Workshop will be held Wednesday, February 23, 2:00 pm to 4:00 pm, [Register Here](#). The workshop will include an optional networking session for attendees to meet and connect with potential co-applicants and facilitate relationship building.
