Q: Briefly describe your interest in serving on the Measure "T" Citizens' Oversight Committee.

I believe the measure helps Madera County residents to obtain needed funds for infrastructure and improvements while maintaining our existing resources as well. The cost has been reasonable, and the measure has received support in the past. I would like to help shepherd it through the process again so we continue to thrive as a community.

Q: List and briefly describe any participation in volunteer, community or professional organizations that are relevant to your candidacy for the Citizens' Oversight Committee.

I currently serve on the Yosemite Lakes Owner's Association board of directors, as well as the Eastern Madera County Foundation board. I have worked extensively with Madera County Sheriff's Office to greatly expand the Neighborhood Watch program in YLP. I also serve on the Environmental Control Committee in YLP and am the chairperson of the Disaster, Safety, and Health committee. Currently my focus has been to work with county staff, sheriffs, and highway patrol to address traffic concerns in YLP and seek more robust patrols and enforcement in the park.
