RE: Election as Chair of the California Transportation Commission

Dear Chair Eager:

The Madera County Transportation Commission (MCTC) is writing to congratulate you on your election as the California Transportation Commission (CTC) Chair.

Your expertise and knowledge of the issues in the San Joaquin Valley will provide an important perspective to the CTC as the State and Metropolitan Planning Organizations move forward in implementing climate and greenhouse gas emission reduction goals and projects. In addition, you understand that one size does not fit all, and that different regions of the State may have unique circumstances that may warrant projects that do not easily fit into new State goals and programs.

The MCTC appreciates your support and looks forward to working collaboratively with you to advance State and local goals.

Sincerely,

Tom Wheeler, Chair
Madera County Transportation Commission
