The Madison City School System boasts the most graduates in KTECH with a total of 20% out of all the north Alabama feeder schools.

KTECH has a strong partnership with Bob Jones High School Engineering Academy. In 2021, KTECH launched a 12-week/180-hour Virtual Reality Class designed to provide students with an immersive introduction to VR and the tools and techniques used to create virtual experiences. We have currently completed four classes in virtual reality.

Our VR Academy is inwardly focused on the introduction, exploration, and training in virtual reality development. And, we work with industry to develop job placement opportunities and apprenticeships. Current graduates are working with i3 as interns. The end goal of the process is to spur economic development, job creation and a sustainable enterprise for the city of Madison and the north Alabama region.

Mayor Paul Finley serves as a KTECH Ambassador and has been active in the development of the KTECH program. 50% of Madison residents are part of the KTECH Ambassadors.

The Madison Rotary Club supports KTECH through a scholarship for a graduate of Bob Jones or James Clements High School. This scholarship is awarded for the Fall KTECH Class each year.

Madison residents participate in teaching Life Lab for our KTECH Mechatronics students and our VR Students. Life Lab teaches the soft skills our industry partners have requested.

Strategically, we are positioning ourselves as a premiere, innovative, and adaptable organization for workforce training. KTECH Students are employed at 23 local companies. KTECH is changing the trajectory for our community long-term, as we empower, uplift and support the people in our Madison community

The KTECH administrative team is respectfully requesting funding support from the city of Madison in the amount of \$5,000.00 to support the VR Academy.
