EXHIBIT A

WellStone Inc., is a comprehensive, public non-profit, community mental health center that has served the citizens of Madison County since 1969. Employing 375 people and providing 285,000 services to 13,700 people last year, WellStone provides services to children, adolescents, and adults who experience a mental illness and/or substance use disorder. Services range from traditional outpatient counseling, to intensive outpatient, case management outreach, structured day treatment, and 24/7 residential care. All programs of WellStone are fully certified by the Alabama Department of Mental Health and independent audits of WellStone's financial and clinical performance are routinely completed by external payers. WellStone also operates the **Nova Center for Youth & Family** that provides care to children and adolescents and **New Horizons Recovery Center** that specializes in addictions treatment. WellStone provides services primarily in the community and operates multiple residential homes across the county in addition to two primary treatment campuses in Huntsville. Six of the 18-member Board of Directors at WellStone are appointed by the City of Huntsville and half are appointed by Madison County (3 current members of the Board are Madison residents).

WellStone is primarily funded by a contract with the Alabama Department of Mental Health and through Medicaid insurance billing. These state funds are primarily used as match to draw down federal Medicaid dollars as payment for many of the services provided. These state and federal funds comprise about two-thirds of the total revenues for WellStone and other funding sources include private commercial insurance companies, payments directly from clients, small grants and contracts with local entities, and appropriations from local government. WellStone provides services regardless of ability to pay and utilizes a sliding fee scale that is based on family income and family size.

With an appropriation of \$40,000 from the City of Madison, WellStone will:

1. Underwrite part of the cost of treatment for Madison residents who are eligible for a sliding fee scale (they do not have third-party payer sources).
2. Work to expand clinical and educational services to the almost 1,000 Madison residents served last year.

With additional funding, WellStone can provide more services to more people and provide more discounted care to Madison residents who do not have third-party payment. The Board of Directors of WellStone appreciates the support and partnership of the City of Madison as we work together to enhance the quality of life for all citizens, including the 1 in 5 people every year who experience a mental health and/or substance use disorder.
