2. Install 40' x 40' cricket backstop netting utilizing a pully system: **Add \$27,985**

**NOTES, TERMS & CONDITIONS:**

1. Not responsible for "stretch marks" that may occur while re-installing the existing fence fabric.
2. We do not recommend this installation method due to the possibility of failure during heavy wind loads. Baseline Sports Construction, LLC will not accept responsibility for such failures that may occur.
3. Assumes uninhibited access and a suitable staging area for project duration.
4. Assumes site spoils can be dumped on site.
5. Does not allow for the repair or replacement of underground utilities if encountered.
6. Does not allow for the repair or replacement of surrounding parking lots or roadways damaged by the heavy equipment required to complete the project.
7. Assumes infield and/or grass restoration to be completed by the City of Madison parks and rec staff.
8. Pricing is good for 30 days and assumes construction winter of 2024.

Randy...Thanks so much for the opportunity! Please don't hesitate to call if you have any questions.
