EXHIBIT A

Since its founding in 2015, the Madison City Community Orchestra (MCCO) has been actively pursuing its mission of fostering and encouraging the appreciation of music, in all its various forms, with emphasis on orchestral and chamber music. Our goal is to raise the common standard of musical education and enjoyment, and to provide exceptional performances for a broad and diverse public in our city.

Our all-volunteer organization hosts events within the community that foster collaborative growth in the area of the arts. We have participated in the events shown below since our previous proposal to the City of Madison and plan to perform in more events next year.

As the majority of our activities are within the confines of the City of Madison and participation is open to community members, the bulk of our expenditures and, thus, any revenue we receive, is directly related to City of Madison citizen participation. In the past year, we have continued to maintain an average of 86 active adult/youth performers. As members of the community continue to add their talents to our group, we must purchase new instruments and equipment to meet our continually changing and expanding requirements. We also have upkeep and maintenance costs associated with instruments and equipment owned by the orchestra.

As we expand our repertoire, new music must be purchased. Each of these items are necessary to continue operation. Therefore, the funding provided by the City of Madison will go towards orchestra needs.

We thank the City of Madison for its continued support to MCCO.
