## **EXHIBIT A**

### **FUNDING REQUEST & DESCRIPTION OF USE:**

**Goal:** Requested funding will be used to support The Riley Center's Home-Based and In- Clinic

Behavioral Treatment: ABA Therapy.

Our goal is to meet the increasing demand for services, and to expedite services to the children currently on our waitlist, by expanding the capacity of The Riley Center's ABA Clinic while maintaining the integrity of our programming by providing effective therapy with best outcomes for each child, adolescent, young adult, and family enrolled.

<b>Resource/Item Requested</b>	<b>Estimated Cost</b>	<b>Purpose and Impact on Providing Services</b>
Equipment and Child Therapy Materials	<b>\$2,250</b>	The high start-up costs, in addition to per client enrollment fees, can be financially staggering. Securing funds to offset these costs is crucial to ensuring the expense is not passed on to families and that children can continue or begin to receive essential intervention toward greater independence and life-long success. Amount requested includes data software per child; electronic device for data collection; therapy program materials for 15 children at \$150/child.
Initial training to certify staff required to provide therapy services	<b>\$1,700</b>	Insurance requires all therapists to be trained and pass a national certification test before providing therapy to children. These costs are not included in patient and client fees as the current financial responsibility is a hardship for families. The amount requested includes testing fees, trainer, and new employee fees for 10 new therapists @ \$170/staff.
Equipment to support Tele Health Services	<b>\$3,550</b>	Equipment and startup to support remote therapy, parent training and diagnostic services. Assessment tools/materials required (not reimbursed by insurance). Parent training materials. Intake/Assessment support hours.

Total: \$7,500
