Color does vary from your screen to print, as well as with different materials and output devices. To ensure accurate or color critical results, a press proof can be ordered for a fee of \$75. Pantone Colors can be matched for a fee of \$50/color. Pantone Colors are matched by adjusting CMYK process values within the file to produce the closest match possible. Please refer to color matching section included on proof to see if we have found any Pantone colors in your file, if so please inform us if you would like us to match these colors or not. If your job requires critical colors please inform our service representative.
