S&ME Proposal No. 23820024

Dear Ms. Dunson:

S&ME, Inc. (S&ME) appreciates the opportunity to submit this proposal for land surveying services for the referenced project. This formal proposal is based on your email dated January 26, 2023. This proposal provides a brief discussion of our understanding of the project, our proposed scope of work, and our associated fees.

This proposal is intended solely for the services described below. Use of this proposal and resulting documents, including the final deliverables, is limited to the above referenced project and client. No other use is authorized by S&ME, Inc.

◆ Project Information

We understand our services encompass an area as shown on the attached Topographic Survey Scope Map. The area is generally the full right-of-way of Balch Road from Neldabrook Way on the south to the new traffic circle at Gillespie Road on the north. S&ME has previously completed a topographic map of this area and this project is intended to update that survey.

Task 1.1: Topographic Survey

Land Survey services will adhere to the Standards of Practice for Surveying in the State of Alabama as established by Alabama.

A Topographic Survey will be conducted for the above stated limits with recorded data, in sufficient density, to develop a DTM (Digital Terrain Model) of the project. The topographic survey shall include: The location, dimensions, and material (as appropriate) of any physical improvements within the project limits including concrete, pavement, driveways, utilities, drainage structures & pipes, walls, fences, signs, buildings, and mailboxes. Ground elevations are to be obtained on a 25-foot interval grid. Additional ground elevations will be located when determined necessary. Surrounding roadways will also be located and shall include pavement markings, curb & gutter, crown & edge of pavement, and top & toe of slopes. Aboveground Utility locations will be

acquired from field observations. If requested, Ground Penetrating Radar (GPR) will be utilized by others, and all painted/marked underground utilities will be field located. City, county or private As-Builts & GIS (Geographic Information Systems) may also be used to help determine the location of utilities within the project limits, if such instruments are available. The Horizontal and Vertical Control and Map of Topographic survey will be provided in Plant Grid coordinates (if provided) and NAD Alabama 83 East State Plane coordinates.

◆ Fee

Our professional fees for the above-described services will be invoiced as per the attached fee schedule. Excluded in the below fees are reimbursable expenses incurred on the Project's behalf, including mileage, travel reimbursements expenses, printing, plotting, photocopies, reproduction, postage, long distance telephone, facsimile, express mail and/or courier services. Applications, capacity, and impact fees associated with application filings shall be the responsibility of the Owner or reimbursed to S&ME outside of the expenses contained in this proposal. S&ME will bill monthly for all work performed and expenses incurred on the Project's behalf. Unpaid invoices after 30 days will accrue service charges at 1 1/2% per month and include any costs of collections and reasonable attorney's fees.

Estimated topographic survey Cost: \$12,800

Should conditions be encountered such that additional services appear to be in the best interest of the project, we would contact you with our recommendations prior to proceeding with any services beyond the scope of this proposal. We will not exceed this proposal amount without written authorization from you.

◆ Client Responsibilities

Provide access or arrange access to the project site for the field activities.

Notify the landowner, if different than client, of the proposed scope of services.

◆ Assumptions

Our services can be performed during normal business hours (8:00 AM – 5:00 PM, Monday through Friday).

We will have unimpeded access to all portions of the site.

◆ Exclusions

- Tree surveyed locations within the project limits.
- Delineated Jurisdictional Wetlands will not be located by an environmental scientist.
- Subcontractor will not be utilized to locate underground utilities.
- ALTA/ACSM Land Title Survey or Boundary Survey(s)

THEREFORE, in consideration of the Mutual Covenants and Promises included herein, Client and Consultant agree as follows:

- 1. ACCEPTANCE:** Client hereby accepts this offer by Consultant to provide the Services as contained in Consultant's Proposal and agrees that such Services and any additional Services performed by Consultant shall be governed by this Agreement. If Client directs that Services commence prior to execution of this Agreement, Client agrees that commencement of Services by Consultant is acceptance of the terms of this Agreement. **CLIENT MAY ACCEPT THIS AGREEMENT FOR SERVICES THROUGH THE USE OF CLIENT'S PURCHASE ORDER, HOWEVER ALL PREPRINTED TERMS AND CONDITIONS ON CLIENT'S PURCHASE ORDER ARE INAPPLICABLE, ARE EXPRESSLY REJECTED, AND THE TERMS OF THIS AGREEMENT SHALL GOVERN.** Unless this offer is previously accepted, it will be withdrawn automatically at 5:00 pm EST, thirty (30) days from the date of issue.
- 2. CONTRACT DOCUMENTS:** "Contract Documents" shall mean this Agreement for Services the Proposal identified under "SERVICES TO BE RENDERED," and all mutually executed Change Orders. This Agreement for Services along with the Contract Documents represent the entire understanding and agreement between the parties relating to the Services and supersedes any and all prior negotiations, discussions, and agreements, whether written or oral, between the parties regarding same. Any terms and conditions which Client is obligated to perform or satisfy, whether by law or contract, or proposed in any acknowledgments or acceptance by Client which are in addition to, or different from, this Agreement for Services along with the Contract Documents are hereby expressly rejected and shall not become part of the agreement between the

parties without Consultant's specific written consent. Any acceptance by Client is limited to acceptance of the express terms set forth in this Agreement for Services.

3. **SCOPE OF SERVICES:** Unless otherwise stated in writing, Client assumes sole responsibility for determining whether the quantity and the nature of the services included in Consultant's proposal received by Client are adequate and sufficient for Client's intended purpose. Client shall communicate the provisions of this Agreement for Services to each and every third party to whom Client transmits any part of Consultant's work. Consultant shall have no duty or obligation to any third party except as specifically set forth in Consultant's proposal.

Consultant has provided Client with the Proposal identified under "Services to be Rendered." By signing below, Client agrees that Client or the Client's representative has examined Consultant's proposal, which includes a scope of work to be performed by Consultant, an opinion on the cost to perform Consultant's scope of work, and an opinion on the amount of time required to perform Consultant's scope of work along with any other documents, opinions, or advice prepared or provided by Consultant and Client agrees that Client is fully satisfied with Consultant's Proposal and Client obtained the advice of any other consultant(s) as the Client deems necessary to protect the Client's interests. Client also agrees by signing below it is responsible for requesting additional services not included in Consultant's proposal and if necessary, Client agrees it is responsible (even if delegated to a third party) for notifying and scheduling Consultant so Consultant can perform the Services. Consultant shall not be responsible for damages caused by services not performed due to any failure to request or schedule Consultant's Services. If project conditions change materially from those described to Consultant at the time of proposal, Consultant is entitled to a change order equitably adjusting its Services and fee.

Consultant shall not supervise, direct or have control over the Client's work nor have any responsibility for the construction means, methods, techniques, sequences or procedures selected by the Client's contractor and/or agents. These rights and responsibilities are solely those of the contractor or agent in accordance with its agreement with Client. Only Client has the right to reject or stop work of its contractor or agents. Consultant's presence on site does not in any way guarantee the completion, quality or performance of the work by any other party retained by Client. Consultant does not guarantee the performance of any contractor or agent of Client and shall not be responsible for such party's failure to perform its work in accordance with any applicable documents, including but not limited to, the plans and specifications or any applicable laws, codes, rules or regulations.

Any evaluations of the Client's budget for the project, and any preliminary or updated estimates of the cost of the work prepared by Consultant represent Consultant's judgment as a design professional familiar with the construction industry. It is recognized, however, that neither Consultant nor Client has control over the cost of the labor, materials or equipment, over the contractor's methods of determining bid prices, or over competitive bidding, market or negotiating conditions. Accordingly, Consultant does not warrant or represent that bids or negotiated prices will not vary from Client's budget for the project, or from any estimate of the cost of the work evaluation prepared or agreed to by Consultant.

4. **CHANGE ORDERS:** Client may request changes to the scope of Services by altering or adding to the Services to be performed. If Client so requests, Consultant will provide a change order proposal including Client's requested changes to the scope of Services for Client's review and approval. Following Client's approval, Client shall provide written acceptance and such Change Order Proposal shall become part of the Contract Documents and shall supersede any prior conflicting terms. If Client does not follow these procedures, but instead directs Consultant to perform changed or additional work without an executed change order, (1) the Services are changed according to Consultant's understanding of Client's direction; and (2) and Consultant will be paid for this work according to the current fee schedule plus fifteen percent (15%).
5. **PAYMENT:** Client will pay Consultant for Services and expenses in accordance with the Contract Documents. If prices for Services are not specified in the Contract Documents, Consultant's current fee schedule in effect for the type of services performed shall control. Unless otherwise agreed prior to the start of the Services, Consultant will submit invoices to Client monthly and a final invoice upon completion of Services. Payment is due upon receipt of the invoice unless otherwise agreed to in writing prior to the submittal of the invoice.

Invoices are past due 30 calendar days after the date of the invoice. Past due amounts are subject to a late fee of one and one-half percent per month (18 percent per annum) or the highest amount allowed by applicable law on the outstanding balance, whichever is less. Attorney's fees and other costs incurred in collecting past due amounts shall be paid by Client. The Client's obligation to pay under this Agreement is in no way dependent upon the Client's ability to obtain financing, payment from third parties, approval of governmental or regulatory agencies, or Client's successful completion of the Project. In addition, CONSULTANT reserves the right to suspend the performance of all services in any case where invoices remain unpaid more than sixty (60) days from the invoice date.

To verify the CLIENT's requirements for appropriate invoicing, the following information is requested.

Upon execution of this document, CONSULTANT will reach out to the contact provided to gather CLIENT's required information such as purchase order number, client project number, email address or website for invoice submission, monthly deadline for invoice submission, CLIENT legal entity name for invoicing, CLIENT address for invoicing, etc.

6. **STANDARD OF CARE:** Consultant and its agents, employees and subcontractors shall endeavor to perform the Services for Client with that degree of care and skill ordinarily exercised, under similar circumstances, by consultants practicing in the same discipline at the same time and location. In the event any portion of the Services fails to substantially comply with this standard of care obligation and Consultant is promptly notified in writing prior to one year after completion of such portion of the Services, Consultant will re-perform such portion of the Services, or if re-performance is impractical, Consultant will refund the amount of compensation paid to Consultant for such portion of the Services. **NOTWITHSTANDING ANY TERMS IN OR APPLICABLE TO THIS AGREEMENT, CONSULTANT MAKES NO WARRANTIES OR GUARANTEES, EXPRESS OR IMPLIED, RELATING TO CONSULTANT'S SERVICES OR WORK PRODUCT, AND CONSULTANT DISCLAIMS ANY IMPLIED WARRANTIES OR WARRANTIES IMPOSED BY LAW, INCLUDING WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE.**
7. **LIMITATION OF LIABILITY:** Client and Consultant have evaluated the risks and rewards associated with this project, including Consultant's fee relative to the risks assumed, and agree to allocate certain of the associated risks. To the fullest extent permitted by law, Consultant's aggregate liability to Client, including that of Consultant's officers, directors, employees and agents, is cumulatively limited to \$100,000, hereinafter referred to as LIMITATION OF LIABILITY. This LIMITATION OF LIABILITY applies to all lawsuits, claims or actions, whether identified as arising in tort, INCLUDING NEGLIGENCE (WHETHER SOLE OR CONCURRENT), PROFESSIONAL ERROR OR OMISSIONS, BREACH OF WARRANTY (EXPRESS OR IMPLIED), NEGLIGENT MISREPRESENTATION, AND STRICT LIABILITY, contract, or other legal theory, including without limitation, Consultant's indemnity obligations to Client related to the Services provided in this Agreement and any continuation or extension of Consultant's Services.

By entering into this Agreement, Client acknowledges that this LIMITATION OF LIABILITY provision has been reviewed, understood and is a material part of this Agreement, and that Client has had an opportunity to seek legal advice regarding this provision.
8. **NO CONSEQUENTIAL DAMAGES:** In no event shall Consultant or Client be liable to the other for any special, indirect, incidental or consequential loss or damages, including, but not limited to, lost profits, damages for delay, or loss of use arising from or related to Services provided by Consultant.
9. **INSTRUMENTS OF SERVICE:** In connection with the performance of the Services, Consultant may deliver to Client reports, drawings, specifications, computer files, field data, notes, and other documents and instruments prepared by the Consultant reflecting Services provided and the results of such Services ("Instruments of

Service"). Statements made in Consultant's Instruments of Service are opinions based upon engineering judgment and are not to be construed as representations of fact. All Instruments of Service, other written documents, all original data gathered by Consultant and work papers produced by Consultant in the performance of or intrinsic to the Services included in the Services are, and shall remain, the sole and exclusive property of Consultant. Files shall be maintained in general accordance with Consultant's document retention policies and practices. Client shall indemnify, defend, and hold Consultant harmless from any and all claims, damages, or losses arising from any unauthorized reuse or modification of the Instruments of Service.

10. **SAFETY**: Consultant has no authority and no responsibility for general job safety and for the safety of persons who are not employed by Consultant. Should Client, or third parties, be conducting activities on the Site, then each shall have responsibility for their own safety and compliance with applicable safety requirements.
11. **SAMPLES**: Samples are consumed in testing or disposed of upon completion of tests (unless stated otherwise in the Services).
12. **HAZARDOUS MATERIALS**: Nothing contained within this agreement shall be construed or interpreted as requiring Consultant to assume the status of an owner, operator, generator, storer, transporter, treater or disposal facility as those terms appear within RCRA or within any Federal or State statute or regulation governing the generation, transportation, treatment, storage and disposal of pollutants. Client retains full responsibility for compliance with the provisions of RCRA and any other Federal or State statute or regulation governing the handling, treatment, storage and disposal of pollutants.
13. **CLIENT OBLIGATIONS**:
 - (a) Client warrants that all information provided to Consultant regarding the Project and Project location are complete and accurate to the best of Client's knowledge.
 - (b) Client agrees to furnish (or obtain from the Owner should the Client not be the Owner) Consultant, its agents, employees, and subcontractors a right-of-entry and any authorizations needed for Consultant to enter onto the project site to perform the Services included in this Agreement.
 - (c) Client recognizes that the performance of the Services included in this Agreement may cause alteration or damage to the Site. Client acknowledges that some site disturbance is inherent in the work for which Consultant will not be responsible. Should Client not be owner of the property, then Client agrees to notify the owner of the aforementioned possibility of unavoidable alteration and damage and Client shall arrange for the repair of any alteration and damage.
 - (d) Client agrees to disclose the identity of all utilities serving the Project Site, the presence and accurate location of hidden or obscured man-made objects known to Client that may be in Consultant's work area and the nature and location of any known or suspected hazardous materials that may exist on the property.
 - (e) The Client shall furnish, at the Client's expense, all information, requirements, reports, data, surveys and instructions required by this Agreement. The Consultant may use such information, requirements, reports, data, surveys and instructions in performing its services and is entitled to rely upon the accuracy and completeness thereof.
 - (f) In order to make informed decisions based on the Instruments of Service, Client's review and study of the Instruments of Service is vital to take full advantage of the consulting process. Client shall review in detail all Instruments of Service, including attachments and references therein, and in the event of questions or concerns, shall contact the project manager. Consultant provides information in the Instruments of Service which assists the Client and/or user in understanding and using the deliverable. The information includes direction on the extent to which the information can be relied on and applied to Client's decision-making process.
 - (g) Provide prompt written notice to CONSULTANT if CLIENT becomes aware of any fault or problem in the PROJECT, including any errors or omissions in CONSULTANT'S work.

(h) Client is responsible for reporting any releases of hazardous substances to appropriate government agencies as required by law. Client acknowledges that Consultant also may have reporting obligations under controlling law and regulations. Client waives any claim against Consultant and will indemnify and hold Consultant harmless from any claim, injury or loss arising from the discovery of unforeseen hazardous substances.

14. **CERTIFICATIONS:** Client understands and agrees that Consultant's Instruments of Services are limited to an expression of professional opinion based upon the Services performed by the Consultant and does not constitute a warranty or guarantee, either express or implied. In addition, Client agrees that Consultant will not be required to execute any document that would result in certifying, guaranteeing or warranting the existence of conditions whose existence the Consultant cannot reasonably ascertain.

15. **FAILURE TO FOLLOW RECOMMENDATIONS:** The Client agrees that it would be unfair to hold the Consultant liable for problems that may occur if the Consultant's recommendations are not followed. Accordingly, the Client waives any claim against the Consultant, and agrees to indemnify, and hold harmless the Consultant from any claim or liability for injury or loss that results from failure to implement the Consultant's recommendations or from implementation of the Consultant's recommendations in a manner that is not in strict accordance with them.
