Before or during the Council Meeting they were asked to sign up for the public hearing at which they wanted to address Council by texting the word "COMMENT" to the City's automated SMS system at 938-200-8560 or by filling out a card available in the vestibule or from the City Clerk. The project initiator, applicant, owner or agent of the business or property that is the subject of the hearing was allowed to speak for 15 minutes. Residents within the noticed area of the subject property, as well as all other members of the public, were allowed to speak for 5 minutes.

PROPOSED ORDINANCE NO. 2023-006: ZONING CERTAIN PROPERTY OWNED BY BOONE HENRY THREE, LLC AND CLIFT FARMS PLACE, LLC, CONSISTING OF APPROXIMATELY 4.8 ACRES, LOCATED NORTH OF U.S. HIGHWAY 72, EAST OF UNCLE FRANK BOULEVARD TO B3 (GENERAL BUSINESS) DISTRICT (FIRST READING 01/09/2023)

Director of Development Services Mary Beth Broeren reminded Council that the city recently annexed the Publix property and set the public hearing for this hearing after the first reading which was done back in January. Director of Development Services Mary Beth Broeren is recommending the zoning be B3 which is the typical zoning for Highway 72. The Planning Commission and staff are also recommending approval of this.

Council President Bartlett opened the floor for public comments.

Margi Daly asked why they are changing the zoning to B3 on the two smaller pieces of property with the Publix.

Council President Bartlett asked if there were any more public comments and with there being no more, public comments was closed.

Director of Development Services Mary Beth Broeren responded to Ms. Daly's question to the rezoning of the two smaller pieces of property. Director of Development Services Mary Beth Broeren explained that the two pieces of property are used for storm detention and even though they are separated from the Publix's property, they are used as commercial property and B3 is commercial zoning not industrial. The city does not have zoning for a remnant storm drainage piece of property. Director of Development Services Mary Beth Broeren also

advised that given that it is a storm detention, no developments are going to occur, but if they did it would generate sales tax dollars which would not be a bad thing either.
