3. Term, Pricing and Termination The term (“Term”) of this Agreement is established on Attachment A of this document, 36 month from the date of execution of this Agreement.

- (a) Customer shall pay Stericycle the prices set forth on the Attachment A of this Agreement. Stericycle may increase the contract price annually but no more than four percent (4%). Prices for Services may not be increased for at minimum the first eighteen (18) months of a 60-month term and for the first 12 months for any Term of less than 60 months. Thereafter, price increases may be implemented on each subsequent anniversary date of the Agreement. Additionally, Stericycle may adjust the contract price to account for operational changes it implements to comply with changes in law, regulatory changes, in the waste treatment location changes in customer’s service requirements including changes in waste patterns, and/or to otherwise cover unforeseen, significant cost escalation.
- (b) Stericycle has instituted a per invoice fuel surcharge to manage and isolate the impact of Diesel fuel price fluctuations. The fuel surcharge is based on the U.S. ‘On Highway’ Diesel Price Index. A table outlining the Fuel Surcharge can be found in Attachment D of this Agreement.
- (c) In the event of breach of any provision of this Agreement, the non-breaching party shall notify the breaching party in writing of the specific nature of the breach and shall request that it be cured. If Customer’s standard purchase order form is provided to

Stericycle in connection with this Agreement, the terms and conditions for that Purchase Order will be superseded by the provisions of this Agreement and the use of the purchase order shall be only to facilitate Customer's payment of fees to Stericycle. Written acceptance or rejection by Stericycle of any such terms or conditions shall not constitute an acceptance of any other additional terms or conditions.

4. Survival The term of this Agreement is established on page one of the documents. If Stericycle is re-awarded a new GPO Agreement for Services, Customers having signed a service agreement under the previous GPO Agreement will continue to have their sales reported and Administrative Fees paid for their Stericycle purchase activity on the new GPO Agreement without any further action being required, through the term of the Stericycle service Agreement.
