

Premier Healthcare Alliance, L.P., (“Premier”) and Stericycle, Inc. (“Stericycle”) have entered into a group purchasing agreement entitled Group Purchasing Agreement-Services (Agreement number PP-FA-985), effective June 1, 2022 (the “GPO Agreement”) for the benefit of certain third-party beneficiaries (the “Participating Members,” as further defined in the GPO Agreement). This is Stericycle’s standard form of agreement for the Services described herein. Stericycle offers the Services described in this Agreement pursuant to the GPO Agreement, and notwithstanding anything to the contrary contained in this Agreement, this Agreement is subject to the terms and conditions of the GPO Agreement. In the event of a conflict between a term or condition in this Agreement and a term or condition in the GPO Agreement, the GPO Agreement controls. The Term of this Agreement will survive the termination or expiration of the GPO Agreement. All capitalized terms not defined in this Agreement have the meanings given to them in the GPO Agreement. For avoidance of doubt, a Participating Member is not subject to this Agreement unless it has been executed by the authorized representatives of both the Participating Member and Stericycle.

TERMS AND CONDITIONS

1. Regulated Medical Waste Services. Stericycle shall collect, transport, treat and dispose of all Regulated Medical Waste (except Non-Conforming Waste) generated by Customer during the term of this Agreement (hereinafter referred to as “Waste”). Stericycle employees may refuse containers that are determined to be or contain Non-Conforming Waste (defined below). Customer shall place only Regulated Medical Waste in the containers provided. “Regulated Medical Waste” shall be as defined by 49 CFR 173.134 or by any other federal, state, and local regulations. Customer warrants that the waste presented for disposal will not contain any “hazardous”, “toxic”, or “radioactive” wastes as defined by all applicable laws or regulations and shall be liable for any injury, loss or damage resulting from violations of such applicable law regarding disposal of “hazardous”, “toxic” or “radioactive waste”. Customer will be responsible for segregating all waste in accordance with federal, state, and local regulations. Customer shall be liable for any injury, loss or damage resulting from Non-Conforming Waste. “Non-Conforming Waste” means (1) fetal remains and human torsos, (2) radioactive, reactive, corrosive, ignitable, volatile or toxic wastes, wastes containing mercury and other heavy metals, batteries of any type, chemicals, solvents, and any and all other hazardous wastes and substances as defined in any applicable federal, state, county municipal, regulations and guidelines, (3) pharmaceutical materials (except to the extent that Stericycle gives prior written approval and the pharmaceuticals are packaged according to instructions provided), (4) bulk chemotherapy and bulk liquids, (5) improperly classified and/or improperly packaged Regulated Medical Waste, (6) any waste which does not fall within the definition of Regulated Medical Waste, and/or is not in accordance with the representations, warranties, descriptions, specifications or limitation set forth in this Agreement, (7) waste that contains infectious substances classified as Division 6.2, Category A infectious substances as described in 49 CFR 173.134, and (8) waste packaged in any container packaged for transport which exceeds the packaging drop-tested weight limit printed on the container. Stericycle’s Waste Acceptance Policy (“WAP”), the current version of which is attached hereto and incorporated herein, contains additional guidelines requirements with respect to the Waste. Stericycle reserves the right to change the WAP at any time to ensure compliance with applicable laws or regulations. A copy of Stericycle’s WAP may also be obtained from your local Stericycle representative. Title to Waste (other than Non-Conforming Waste) shall transfer to and vest in Stericycle at such time as such waste is loaded onto Stericycle vehicles. Customer shall have title to Waste at all prior times. Customer shall hold title to any Non-Conforming Waste at all times, whether refused for collection, returned to the Customer for proper disposal after collection or otherwise disposed of in accordance with Customer’s instructions or arrangements.

2. Recordkeeping and Compliance with Laws Stericycle and Customer shall keep and retain adequate books and records and other documentation including personnel records, correspondence, instructions, plans, receipts, vouchers, permits, required state registrations, copies of manifests and tracking records consistent with and for the periods required by applicable regulations and guidelines pertaining to generation, storage or handling of Waste and the Services to be performed under this Agreement.

3. Term, Pricing and Termination The term (“Term”) of this Agreement is established on Attachment A of this document, 36 months from the date of execution of this Agreement.

- (a) Customer shall pay Stericycle the prices set forth on the Attachment A of this Agreement. Stericycle may increase the contract price annually but no more than four percent (4%). Prices for Services may not be increased for at minimum the first eighteen (18) months of a 60-month term and for the first 12 months for any Term of less than 60 months. Thereafter, price increases may be implemented on each subsequent anniversary date of the Agreement. Additionally, Stericycle may adjust the contract price to account for operational changes it implements to comply with changes in law, regulatory changes, in the waste treatment location changes in customer’s service requirements including changes in waste patterns, and/or to otherwise cover unforeseen, significant cost escalation.
- (b) Stericycle has instituted a per invoice fuel surcharge to manage and isolate the impact of Diesel fuel price fluctuations. The fuel surcharge is based on the U.S. ‘On Highway’ Diesel Price Index. A table outlining the Fuel Surcharge can be found in Attachment C of this Agreement.
- (c) In the event of breach of any provision of this Agreement, the non-breaching party shall notify the breaching party in writing of the specific nature of the breach and shall request that it be cured. If the breaching party does not cure the breach within thirty (30) days of such notice, the non-breaching party may immediately terminate this Agreement on written notice to the breaching party, and such termination shall not preclude the non-breaching party from pursuing any and all remedies available to it at law or in equity.
- (d) If Customer breaches this Agreement by terminating Stericycle’s collections prior to the expiration of its Term or in any other way violates this Agreement in such a way that Stericycle’s continued performance is rendered impossible or commercially impracticable, then Stericycle shall be entitled to collect from Customer an amount in liquidated damages equal to 50% of Customer’s average charge on a monthly basis based on the 12 months’ billings prior to the cessation of collections (or based on any lesser period if the contract began less than twelve months earlier) times the number of months, including prorated partial months, remaining until the expiration date of the Term or Extension Term. Customer hereby acknowledges (i) that Stericycle’s damages resulting from the premature termination of collections include lost profits, inefficiencies resulting from route changes and reduced treatment plant throughput, increased administrative overhead, unrecoverable sunk training/instruction costs, and other elements of injury, (ii) that such damages are extremely difficult to quantify as they relate to any one customer, and (iii) that the foregoing liquidated damages amount is a reasonable estimate of actual expected damages and is not a penalty. Liquidated damages as described herein is Stericycle’s sole remedy for Customer’s improper early termination.
- (e) Stericycle shall have the right to terminate this Agreement at any time by giving Customer at least sixty (60) days’ notice in the event that it is unable to continue performing its obligations under this Agreement due to the suspension, revocation, cancellation or termination of any permit

or required to perform this Agreement or in the event that a change in any law, regulation or ordinance makes it impractical or uneconomical, in Stericycle's sole discretion, to continue performing this Agreement.

- (f) Upon 30 days' notice to Stericycle, Customer shall have the right to add or delete mutually acceptable Customer facilities receiving Services under this Agreement. This addition or exclusion of any facility participating under this Agreement shall have no effect on the Services provided the other participating facilities.
- (g) In addition to Stericycle's charges for Services and products under this Agreement, the Customer shall pay all taxes imposed or levied by any governmental authority with respect to such Services or products. These taxes include all sales, use, excise, occupation, franchise and similar taxes and tax-like fees and charges (but do not include any taxes on Stericycle's net income). Stericycle shall cooperate with the Customer to determine the applicability of any exemption certificates that the Customer provides to Stericycle in a timely manner.
- (h) Any terms or conditions contained in any Purchase Order, Purchase Order Agreement, or other invoice acknowledgment, Order by Customer or proposed at any time by Customer in any manner, which vary from, or conflict with the terms and conditions in this Agreement are deemed to be material alterations and are objected to by Stericycle without need of further notice of objection and shall be of no effect nor in any circumstances binding upon Stericycle unless expressly accepted in writing. If Customer's standard purchase order form is provided to Stericycle in connection with this Agreement, the terms and conditions for that Purchase Order will be superseded by the provisions of this Agreement and the use of the purchase order shall be only to facilitate Customer's payment of fees to Stericycle. Written acceptance or rejection by Stericycle of any such terms or conditions shall not constitute an acceptance of any other additional terms or conditions.

4. Survival The term of this Agreement is established on page one of the documents. If Stericycle is re-awarded a new GPO Agreement for Services, Customers having signed a service agreement under the previous GPO Agreement will continue to have their sales reported and Administrative Fees paid for their Stericycle purchase activity on the new GPO Agreement without any further action being required, through the term of the Stericycle service Agreement.

5. Billing Stericycle shall submit invoices to Customer in accordance with Stericycle's standard billing process. Customer shall pay in full each Stericycle invoice within 30 days of the date of such invoice by ACH or other agreed upon electronic means. Any invoiced amounts not received by Stericycle within that timeframe will be subject to a late fee of 1.5% per month (or the maximum amount allowed by law, if different) on the outstanding balance. Customer shall reimburse Stericycle for all costs that it incurs in collecting overdue amounts from Customer. Stericycle may, with notice, suspend services until any overdue amounts (plus late fees, and enforcement and collection costs, if any) are paid. Customer shall also pay all taxes imposed by any governmental authority with respect to the purchase of any services and products hereunder, including all sales, use, excise, occupation, franchise and similar taxes and tax-like fees and charges (but excluding all taxes on Stericycle's net income). Stericycle will cooperate with Customer to determine the applicability of exemption certificates, if any, that Customer provides in a timely manner to Stericycle. Customer shall not be entitled to withhold payment by way of set-off or counterclaim.

6. Surcharge Stericycle may also impose a 'no waste' surcharge no greater than \$75 in the event that Stericycle attempts to pick up waste at a Customer location (on either a scheduled pick-up or in response to a Customer request) and, through no fault of Stericycle, either (a) there is no Waste for Stericycle to pick up, (b) waste is not ready for pick-up or (c) the Customer location is closed.

7. Liability for Equipment Customer shall have the care, custody and control of containers and other equipment placed at Customer's premises and owned by Stericycle and accepts responsibility and liability for the equipment and its contents except when it is being physically handled by employees of Stericycle. Customer agrees to defend, indemnify and hold harmless Stericycle from and against any and all claims for loss or damage to property, or personal injury or death, resulting from or arising in any manner out of Customer's use, operation or possession of any containers and other equipment furnished under this Agreement, except to the extent any such loss or damage to personal property, or personal injury or death is a result of Stericycle's negligence, intentional misconduct, or breach of this Agreement. Any damage to such property and equipment, other than normal wear and tear, will be charged to the Customer, and payable to Stericycle as additional service cost.

8. Indemnification Stericycle shall indemnify and hold Customer harmless from any liabilities arising from the gross negligence or willful misconduct of Stericycle in the performance of its obligations under this Agreement. Customer shall indemnify and hold harmless Stericycle from any liabilities arising from the gross negligence or willful misconduct of Customer, which shall include, but not be limited to, failure to properly store, package, label, or segregate Waste and any liabilities relating to Non-Conforming Waste, whether or not collected, transported or treated by Stericycle. Customer agrees to pay Stericycle's reasonable attorney's fees incurred for any success defense by Stericycle of a suit for indemnification brought against Stericycle by Customer.

9. Compliance with Laws Stericycle hereby agrees to carry General Liability, Automobile Liability, and Workmen's Compensation Insurance as required by applicable state law, and to otherwise comply with all federal and state laws, rules, and regulations applicable thereto and relating to its performance hereunder. As of the date of this Agreement, Stericycle has obtained, and agrees to maintain during the Term of this Agreement, all necessary permits, licenses, zoning and other federal, state or local authorizations required to perform the Services under this Agreement and will furnish copies of these to Customer upon request. Customer and Stericycle each hereby agrees to comply with all federal and state laws, rules, and regulations applicable to their handling of Waste and their performance under this Agreement, including, without limitation, all applicable record keeping, documentation and manifesting requirements. Stericycle and Customer shall keep and retain adequate books and records and other documentation including personnel records, correspondence, instructions, plans, receipts, vouchers, copies of manifests and tracking records and any other records or reports or memoranda consistent with and for the periods required by applicable regulatory requirements and guidelines pertaining to storage or handling of Waste and the Services to be performed under this Agreement.

10. Exclusivity Customer agrees to use no other Waste disposal service or method during the Term of this Agreement and any Extension Terms.

11. Force Majeure The obligations of either party to perform under this Agreement will be excused during each period of delay caused by acts of God, war or terrorism, or by shortages of power or materials or government orders which are beyond the reasonable control of the party obligated to perform and prevents the party from being able to perform ("Force Majeure Event"). In the event that either party ceases to perform its obligations under this

Agreement due to the occurrence of a Force Majeure Event, such party shall: (1) immediately notify the other party in writing of such Force Majeure Event and its expected duration; (2) take all reasonable steps to recommence performance of its obligations under this Agreement as soon as possible. In the event that any Force Majeure Event delays a party's performance for more than thirty (30) days following notice by such party pursuant to this Agreement, the other party may terminate this Agreement immediately upon written notice to such party.

12. Independent Contractor Stericycle's relationship with Customer pursuant hereto is that of an independent contractor, and nothing in this Agreement shall be construed to designate Stericycle as an employee, agent, or partner of or a joint venture with Customer.

13. Amendment and Waiver Changes in the types, size and amount of equipment and the frequency of service may be mutually agreed to orally or in writing by the parties, without affecting the validity of this Agreement. Consent to oral changes shall be evidenced by the practices and actions of the parties. All other amendments to this Agreement (other than as provided in 3(b)) shall be affected only by a written instrument executed by the parties. Variations from the standard form of agreement, if any, are contained in the Addendum to Customer Service Agreement attached hereto. No waiver shall be effective unless submitted in writing by the party granting such waiver. No waiver of any provision of this Agreement shall be deemed a waiver of any other provision of this Agreement and no waiver of any breach or duty under this Agreement shall be deemed a waiver of any other breach or later instances of the same duty.

14. Savings Clause In case any one or more of the provisions contained in this Agreement shall, for any reason, be held to be invalid, illegal or unenforceable in any respect, such invalidity, illegality or unenforceability shall not affect any other provisions of this Agreement; this Agreement shall be construed as if such invalid, illegal or unenforceable provision had never been contained herein, unless such finding shall impair the rights or increase the obligations of Stericycle hereunder, in which event, at Stericycle's option, this Agreement may be terminated

15. Entire Agreement This Agreement (including any attachments, exhibits and amendments made in accordance with Paragraph 13) constitutes the entire understanding and agreement of the parties and cancels and supersedes all prior negotiations, representations, understandings or agreements, whether written or oral, with respect to the subject matter of this Agreement.

16. Governing Law This Agreement shall be governed by and construed in accordance with the laws in the state of Illinois without regard to the conflicts of laws rules of any jurisdiction.

17. Notices All required notices, or those which the parties may desire to give under this Agreement shall be in writing and sent to the parties' addresses set forth on the first page of this Agreement, and in the case of Stericycle, to the Stericycle LQ Sales Department address as follows: Attn: Stericycle LQ Sales Department, 2355 Waukegan Road, Bannockburn, IL 60015. Notices shall be effective when received.

18. Assignment Neither party will assign any rights or obligations under this Agreement without the express written consent of the other party. Such consent shall not be unreasonably withheld.

19. Counterparts This Agreement may be executed in one or more counterparts, each of which shall be deemed an original but all of which when taken together shall constitute one and the same instrument. A copy or facsimile of this Agreement shall be as effective as an original.

20. Limitation of Liability. Except as explicitly provided in this Agreement, Stericycle shall not be liable for any loss of profits or other consequential damages sustained by Customer in connection with performance or nonperformance under this Agreement.

21. Waste Brokers Stericycle reserves the right to deal solely with the Customer and not with any third-party agents of the customer for all purposes relating to this Agreement (other than as contemplated by the GPO Agreement). Customer represents and warrants to Stericycle that it is the medical waste generator and is acting for its own account and not through a broker or agent. Stericycle shall be entitled to terminate this Agreement and seek all available legal remedies, including but not limited to liquated damages, in the amount set forth herein for Customer's breach of this representation and warranty.
