Manitowoc Ice CNF0201A-161N Details

The Manitowoc CNF0201A-161N countertop ice machine can produce up to 315 lb. of bite-sized, chewable nugget ice per day in a convenient, space-saving design! For easy use, this unit has a hands-free, automatic sensor dispensing system that is illuminated by a blue LED light for excellent visibility and aesthetic appeal. This unit boasts a 10 lb. storage capacity in a narrow 16 1/4" wide footprint, allowing you to keep plenty of ice ready for busy times without sacrificing valuable countertop space.

This item is easy to use which makes it great for healthcare, cafeteria, and break room applications. The nugget ice also boasts an 85% ice-to-water ratio for maximum cooling effectiveness and minimal drink dilution, plus it's softer and more chewable than other ice types. To ensure easy cleaning and a pristine appearance for years to come, this unit features a unique DuraTech front panel that helps protect the dispensing area. This hard, clear coating provides excellent scratch resistance and is easy to wipe clean. A 115V electrical connection is required for operation.

Overall Dimensions:

Left to Right: 16 1/4"

Front to Back: 24"

Height: 35"

Bin Capacity: 10 lb.
