

## Chief Executive Officer Report April 2024

### Operations Overview

- We recently received approval from the State to move our Physical Therapy Department and get the area ready for strong minds.
- We continue to have an ad posted for a Licensed Counselor for the Strong Minds program.
- Patient rounds continue to provide good feedback from our patients. We continue to hear that the nurses do great jobs, and that food is great, I have even had patients and family come to my office to let me know the care is great.
- Looking at clinic collections for April we collected a total of \$2,423.52 at time of service.
- The hospital collected \$6,355.02 in copays and collections for the month of April.
- We are starting to work with a public adjuster to look at our roof and try to help us get it covered by insurance.
- We continue with improvements around the clinic and the hospital.
- We continue to plan events for staff at the hospital.
