Please accept this as my resignation as a city commissioner.

I can't express how much I appreciate everything you have done for the City of Mangum. I wish I was at a different stage in life where I could dedicate the required time to the position of city commissioner. We have a new Ag teacher, Softball coach, Alt Ed teacher, Special Ed teacher, English teacher, Band Director, Math teacher, Computer teacher, and various assistant coaches all just at the High School. I am going to have a busy (to say the least) school year and I know that I won't be able to dedicate the time needed to the City.

I greatly appreciate the support, knowledge, and understanding that I have gained as a City Commissioner. I am grateful for the opportunity to work with you and the commissioners to try and make Mangum a great place to live. I truly believe we are very fortunate to be in Mangum and I hope that some of the things we have accomplished will have lasting effects for generations.

I am not leaving Mangum so, I am still willing to help and want to be a part of this community. With everything going on at the school, I need to dedicate my full attention to my job as Principal. Again, Thank you so much for everything you do and I wish you the best.

Sincerely,
Travis Reese
Principal
Mangum High School
