Mary Jane Scott
Mayor/City Manager
Mangum, Ok. 73554

Dear Mary Jane Scott:

The Mangum Housing Authority of the City of Mangum provides housing for low-income families. The housing program is subsidized by the U.S. Department of Housing and Urban Development. It is always a challenge to use our operating subsidies wisely.

The goal of the Mangum Housing Authority is to maintain a clean, safe, and desirable environment for the residents of the Mangum Housing Authority. It would be very helpful if we could retain the P.I.L.O.T of \$7,149.84 funds for this year due to the April 28th, 2025 Hail Storm Damage the Mangum Housing Authority received. Insurance deductibles and architect fees totaling \$452,715.00 has made an enormous impact in the cost of operational funds. MHA applied for and did receive \$272,000.00 in an Emergency Disaster Grant through HUD to go towards the deductible cost. MHA has applied for the 2026 Capital Fund Grant in the amount of \$151,897.00 which will go towards the deductible leaving the balance of \$29,000.00 (from the estimated cost of materials and labor from year 2025 damage). MHA is requesting the forgiveness for the fiscal year ending September 30, 2025.

If Mangum Housing Authority's request to retain the P.I.L.O.T of the fiscal year ending September 30, 2024 is not granted, then MHA is requesting relief in the amount of \$2,120.00 for the upkeep of the Mangum City Property located west of MHA's facility totaling:

(19) Mows @ \$75.00 per/mow = \$1,425.00
(2) Sprays @ \$275.00 per/spray= \$ 550.00
Totaling \$1,975.00

\$7,149.84- \$1,975.00 = **Total of \$5,174.84 (P.I.L.O.T Balance)**

Thank you for your consideration and immediate response.
Sincerely,

Diania Kendall Executive Director
