

## Chief Clinical Officer Report June 2022

### Excellent Patient Care

- Monthly Education included a skills fair with topics covered included: TPN, Transmission Based Precautions, PPE and G-tube feeding. Air Evac provided Stroke education.
- MRMC Emergency Services coordinated with Greer EMS and Air Evac to conduct a mock code STROKE. Through coordinated efforts, the mock patient received prompt assessment in the field, rapid imaging and was transferred to flight team in 36 minutes!
- MRMC Infection Prevention proudly reports continued excellent performance as evidenced by **Zero** prevalence of Hospital Acquired Infections, Catheter Associated Urinary Tract Infections or Central Line Associated Blood Stream Infections.
- There have been zero hospital acquired wounds. The wound care team continues to ensure overall wound progression.

### Excellent Client Service

- Patients continue to rely on MRMC as their local hospital. Patient days increased from 303 days in April to 320 days in May. This represents an average daily census of 10. In addition, MRMC Emergency Department provided care to 144 patients in May.
- May COVID-19 Stats at MRMC: Swabs (26-PCR & 46-Antigen) with 0 Positive PCR & 6 Positive Antigen.
- 100% of the discharged patients from MRMC Outpatient Therapy Services exhibited improvement in standardized assessment scores. This scoring relates to the patient’s functional ability.
- Case management received a report from a patient and family member. They claim that they have been to many other facilities but have never received the personal, compassionate care that they have been given while at MRMC
