

Chief Executive Officer Report August 2024

Operations Overview

- Sports physicals continue to take place at our clinic until mid-September.
- The grant we applied for looks promising, but we are still awaiting the final from Oklahoma Department of Transportation.
- Patient rounds continue to provide positive feedback from our patients.
- Looking at clinic collections for August we collected a total of \$2493.17 up from \$2,032.18 at time of service.
- The hospital collected \$9,759 in copays and collections for the month of August.
- There is currently no update on the roof.
- We have recently filled our open positions in plant operations, environmental services, and dietary.
- We have two nurses at the clinic when we have both providers present.
