### Preserve Rural Jobs and Culture Development

- Planning for nursing skills fair has begun, scheduled for early October 2024.
- MRMC has LPN positions, and we are transitioning to a House Supervisor structure instead of a charge nurse. RN positions are posted to fill these positions. MRMC hired a new CNA and she is orienting this month.
- Patients continue to voice their praise and appreciation for the care received at MRMC. We continue to strive for excellence and improving patient/community relations.
