

Chief Clinical Officer Report November 2020

Excellent Patient Care

- Monthly Education topics included: American Heart Association’s Basic Life Support Class for all staff including non-clinical staff. Additionally, staff are updated weekly regarding Cohesive COVID Task Force directives.

Excellent Client Service

- Patients continue to rely on MRMC as their local hospital. Patient days increased from 331 in October to 441 in November! This represents an average daily census increase of 4.01%. In other words, MRMC went from 10.68 to 14.7 patients per day!
