RE:

Summary and Recommendation of Bids Received

Wastewater Discharge Improvements

CDBG Grant #18860 CDBG 22

MECE No. 223009

Dear Mayor and Council Members:

Bids for the above-referenced project were received, opened, and read aloud on Thursday, May 22, 2025, at 11:00 AM at City Hall. A detailed Bid Tabulation sheet is attached to this letter. The bids received are summarized below:

| Contractor              | Total Bid    |  |  |  |  |  |
|-------------------------|--------------|--|--|--|--|--|
| Grade Work Construction | \$177,902.00 |  |  |  |  |  |
| J&S Construction        | \$377,975.00 |  |  |  |  |  |
| JAM Construction        | \$275,225.00 |  |  |  |  |  |
| Lonehickory Cattle      | \$301,500.00 |  |  |  |  |  |

Although six (6) bids were received, only four (4) were qualified bidders. Bids rejected were: (1) Integrity Construction Services for not using the addendum #2 bidder's proposal form; and (2) Sooner Site Utility & Construction for not using addendum #2 bidder's proposal form and missing paperwork.

The apparent low bidder is Grade Work Construction. Their bid is in order, and they have documented experience and satisfactory performance in the type of work bid.

We recommend that the project be awarded to Grade Work Construction, Edmond, Oklahoma.

Respectfully submitted,

William T. Myers, P.E., M. ASCE
