1	500KG Tank On-Grade, Steel Welded 40' Dia x 52' Dp		
<b><u>Proposal Total: \$6,300.00</u></b>			
Proposals signed and returned to Inland Potable Services are valid for one year from date of acceptance.			

**Payment terms:** 1% Ten Days, Net 30 Days. 1.5% interest will be charged on all accounts past 30 days.

This contract is based on a total price which includes time and mobilization to and from the project site, set-up and breakdown of equipment, and the preparation for the dive and diving services. Diving services will include sediment removal up to 3 inches from the floor, a video inspection and written report for your records (still photos included). During the initial dive, sediment depths will be measured by the diver and documented on video.

**If removal of sediment of an abnormal consistency (clay, calcium, rocks, pebbles, mud, etc.), additional sediment removal (over 3 inches from the floor), wall cleaning or epoxy repairs is requested and approved by designated on-site representative, each of these services will be performed at a rate of \$400.00 per hour.**

Inland Potable Services, Inc. will provide all personnel and equipment necessary to provide diving services in the above referenced tank(s) or reservoir(s). We will provide your utility with a written report as well as a narrated color video for the services performed. The tank(s) or reservoir(s) will be inspected according to American Water Works Association (AWWA), NACE, SSPC, ASNT, ACI and AWS standards.

- **All divers employed by Inland Potable Services are certified Commercial Divers.**
- **Inland Potable Services is fully bondable and insured.**
- **All equipment entering the tanks will be disinfected with a minimum of 200 ppm Chlorine.**
- **Schedule dates are tentative and are subject to change.**

- If Inland Potable Services dive team is required to stop working or is delayed working due to unforeseen circumstances or any reasons beyond our control (i.e. no utility personnel onsite, inability to access designated work site, low water level, etc.) a down-time charge of \$400.00 per hour will be charged.
- A fee based on \$400.00 per hour will be charged if we are unable to get our truck and trailer to a tank location. We will use portable dive gear and cleaning equipment to complete the job. Please understand that use of utility vehicles or equipment may be necessary to get our equipment to a tank.
- Inland Potable Services makes every attempt to obtain complete information from customers prior to the presentation of bids concerning fees required for municipal licenses, registration fees, Sales Tax or Use Taxes in your area. These items are identified on your contract. In the event that additional fees are discovered or charged, after the bid has been submitted, these charges will be added to the stated contract amount when billed.

**Date: May 8, 2024**

**Important Information**

**Hatch Size** - The entry hatch on top of the tank must be at least 20 inches in diameter or square with no obstructions that would prevent entry. A futile trip charge of \$500.00 will be levied if the team is unable to enter the tank due to the hatch size being too small or objects are blocking the entry.

**Water Level** – Please understand, the water level within the tank must be within ten (10) feet or less of the hatch opening prior to the dive team’s arrival. A futile trip charge of \$500.00 will be levied if the team is unable to complete job if water levels cannot be adjusted to the appropriate level.

**Tank Information** – Please verify the type of tank, dimensions or information listed in the proposal is accurate. If the tank dimensions or information is not accurate as listed then additional costs may be added.

**Completion Date** – With acceptance this work will be completed at a mutually acceptable date within one year. If money budgeted for this work must be used by a specific date, please indicate the date on this line and every attempt will be made to meet the given date: \_\_\_\_\_

**Option** – If a hatch gasket (\$125.00), a #24 mesh vent screen (\$75) and/or a lock for the hatch (\$25) is needed, would you like the dive team to install while on-site? **Yes** \_\_\_ **No** \_\_\_

**To accept**, please sign and date the proposal. Please fax both pages to 303-400-4215 or scan and email them to me at [paul@inlandpotableservices.com](mailto:paul@inlandpotableservices.com).
