Property Legal Description: LOT 7 BLK A MANOR COMMONS SE COMMERCIAL PHS 1 (PARKLAND)

Dear CITY OF MANOR,

The Central Texas Regional Mobility Authority (Mobility Authority) is studying potential improvements to US 290 from SH 130 to SH 95 in Travis and Bastrop counties to improve mobility. Please see the 290 Extension Project (Project) Location Map attached. Potential improvements could include the extension of 290 Toll, improvements to key cross streets, general-purpose lanes and pedestrian infrastructure enhancements. The Property is located adjacent to the Project (Corridor).

The enclosed Right-of-Entry Agreement (Agreement) provides a detailed explanation of the types and nature of the investigations that are needed.

If you wish to grant the Mobility Authority right-of-entry onto your property, please follow these steps to complete and return the enclosed Agreement **within fifteen days of the date of this letter**.

- Sign and date the Agreement.
- Add your comments and conditions for the right-of entry at the bottom of the Agreement.
- Make a copy for your records.
- Mail the original to: Madison Gordey, 710 Hesters Crossing, Suite 150, Round Rock, TX 78681
 - A prepaid and addressed return envelope is included for your convenience
 - Or return via email to: Madison.Gordey@hdrinc.com
- If you have questions about environmental investigations, please contact: Madison Gordey, (512) 685-2946, Madison.Gordey@hdrinc.com

Please note that you are not required to grant the Mobility Authority right-of-entry at this time, however we appreciate your consideration of this request.

If you have questions about the Project, please contact: 290extensionproject@ctrma.org

Project Limits: From SH 130 to S Highway 95

Control Section Job Number (CSJ): 0114-02-123, 0114-03-111, 0114-04-083

County: Travis and Bastrop Counties

Parcel ID: 922780

Property Legal Description: LOT 7 BLK A MANOR COMMONS SE COMMERCIAL PHS 1
(PARKLAND)

The undersigned property owner or authorized designee (Grantor) hereby grants unto the Central Texas Regional Mobility Authority (Mobility Authority) a right-of-entry (ROE) upon the real property (Property) for the purpose of conducting environmental investigations (the Agreement).

The Mobility Authority has proposed to improve mobility along US 290, including potential improvements to key cross streets and pedestrian infrastructure enhancements from SH 130 to S Highway 95 in Travis and Bastrop Counties, Texas (Project). The Property is located within an area that may be affected by the Project (Corridor).

The Mobility Authority is required by state and federal environmental laws to determine whether there are specific environmental resources located in the vicinity of the Project and evaluate the potential for impacting the resources that may be located in the Corridor. The Mobility Authority or its contractors may be performing investigations for the Project, and may be identifying environmental resources along the Corridor including, but not limited to:

- Wetlands and Streams
- Hazardous Materials
- Sensitive Habitat/Areas
- Traffic Noise Survey
- Cultural Resources, Historical and Archeological
- Threatened and Endangered Species
- Land Surveying

Work that the Mobility Authority deems necessary to complete schematic design, surveying, and environmental investigations needed for the Project will be conducted by the Mobility Authority or its contractors. The investigations may include surveys to identify archeological sites and, if sites are present, further evaluation of those sites to determine their eligibility for inclusion in the National Register of Historic Places and designations as a State Antiquities Landmark may be required. In some cases, the investigations may also involve the following activities:

- Limited hand excavation (such as a series of shovel-dug probes); and/or

Right-of-Entry Agreement

- Mechanical trenching and scraping (trenches/scraping typically 5 by 15 feet in size and 6 feet in depth).

Any excavations that are conducted will be backfilled, and the surface will be returned as closely as practicable to its original state.

In addition, the Mobility Authority may need to investigate habitat and areas that may include threatened or endangered species and areas that may be wetlands or streams. Land surveying in the project vicinity, along the roadway right-of-way, may also need to be performed. Field investigations would likely take place on foot but may require an all-terrain-vehicle (ATV) depending on the activities to be performed.

The Grantor understands and agrees to the following terms and conditions:

- After granting the requested Right-of-Entry, the Owner, or authorized agent with signatory responsibilities reserves all rights, titles and interest in and to the property.
- The Right-of-Entry shall not prejudice the Owner's rights to any relocation benefits for which the Owner or Owners would otherwise be eligible.
- The Owner, Owners or authorized representative with signatory authority, grants the Mobility Authority or its contractors access to perform the investigation work at its own risk and expense. Temporary flagging or temporary markers may be used to locate specific features or survey points at the property.
- The Mobility Authority and its contractors are authorized to cross other portions of the Property in order to gain access to the Corridor for purposes of the investigative work.
- To the extent possible, the Mobility Authority and its contractors will walk the Corridor and observe all of the information needed for investigation, without using excavations. The Mobility Authority will leave the Property in substantially the same condition as it was prior to the investigation.
- The Agreement shall be effective the date it is executed and shall remain in effect until the earlier of
 - The Agreement is revoked in writing by the Grantor
 - The Property no longer belongs to the Grantor, or
 - The Property is acquired by the State of Texas.
- The Grantor may be present during the investigation. Please indicate the preferred method for notification at the bottom of the form.
- The Grantor will contact any tenants or lessees on the Property, or will provide the names and contact numbers to the Mobility Authority prior to the Mobility Authority or its contractors entering the property.
- The Right-of-Entry, unless revoked or terminated, shall extend to and bind the signatory parties, their heirs, executors, administrators, legal representatives, successors, and assigns, including the contractors, consultants, agents and all others the Mobility Authority has deemed necessary to share in this Right-of-Entry.
- If the Owner is not the original individual, by signature, the undersigned authorized representative of the Owner with signatory authority warrants and represents that he or she is duly authorized and empowered to enter into and execute the Right-of-Entry on behalf of the Owner.
- If the Property is owned by multiple Owners, all legal Owners must sign this Right-of-Entry Form for it to be effective.
