Contractor, as allowed under the Agreement, has requested an annual rate adjustment of 3.8% for solid waste services for the calendar year 2021 ("2021 Annual Rate Adjustment"). The City has requested that the 2021 Annual Rate Adjustment be implemented in two phases for the residential trash and recycle customers to assist its residents during COVID and Contractor has agreed to such request.

Contractor's Franchise Fee for residential trash and recycle service, which was not applied during this past year to assist the residents during COVID shall be applied in 2021 in two phases as well, with the first beginning March 1, 2021 and the second phase applied October 1, 2021.

By executing this Rate and Fee Adjustment Letter Agreement (the "Letter Agreement"), the City and Contractor agree as follows:

b. Effective March 1, 2021, the authorized franchise fee for residential trash and recycle service shall have the first half equal to five percent (5%) (\$0.80) added to the current rates per month.

c. The total new rate effective March 1, 2021 is: \$16.72/cart/month.

d. Effective October 1, 2021, the then rate (less franchise fee) for residential trash and recycle service, \$15.92, shall be increased by the remaining 1.9% 2021 Rate Adjustment of \$0.30.

e. Effective October 1, 2021, the authorized franchise fee for residential trash and recycle services shall have the remaining 5% franchise fee (\$0.80) added to the then current rates per month.

f. The total new rate effective October 1, 2021 is: \$17.82/cart/month.

2. Non-residential Customers:

The City and Contractor agree to modify the current rate for non-residential customers in accordance with Attachment "A", attached hereto and incorporated herein as if fully set forth (the "Rate Chart") beginning March 1, 2021 (for a total increase of 3.8% rate adjustment together with the applicable and currently applied 10% franchise fee).

3. The rate adjustment will take effect March 1, 2021 giving the City time to provide a thirty (30) day notice to its utility customers after this Letter Agreement is executed by the City and the Contractor of the rate adjustment.

4. The City and Contractor agree that for future rate adjustment requests, the City will have sixty (60) days from the date notice of a rate adjustment request is received by the City to take action on the request and provide a thirty (30) day notice to its utility customers of a rate adjustment.
