

## AGENDA ITEM SUMMARY FORM

**PROPOSED MEETING DATE:** October 20, 2021  
**PREPARED BY:** Samuel D. Kiger, P.E.  
**DEPARTMENT:** City Engineer

### AGENDA ITEM DESCRIPTION:

Consideration, discussion, and possible action on a Construction Contract for the FM 973 12" Water Main, CIP W-15 to M&C Fonseca Construction Company, Inc. in the amount of \$400,211.

### BACKGROUND/SUMMARY:

Bids were publicly opened and read on September 15, 2021, for the referenced project. The improvements consist of the installation of approximately 3,600 linear feet of 12" water line along FM 973 and State Highway 212. The based bid was for ductile iron pipe with alternate A1 for PVC pipe. As reflected on the attached Bid Tabulation, seven bids were received and alternate A1 provided savings to the city. The low bidder was M&C Fonseca Construction Company, Inc.

We have verified the Contractor's qualifications including references and financials. Based on our findings M&C Fonseca Construction Company has extensive experience with waterline installation work and is financially stable. The Base Bid with Alternate A1 price came in below our Opinion of Probable Cost at \$400,211.

**LEGAL REVIEW:** Completed  
**FISCAL IMPACT:** Funding through Capital Improvements Project W-15  
**PRESENTATION:** No  
**ATTACHMENTS:** Yes

- Recommendation of Award
- Bid Tabulation
