

# Manor City Council 1<sup>st</sup> Quarterly Report

Committee:	Mayor Community Collaborative	
Starting Date:	October 1, 2023	Ending Date: December 31, 2023

## Committee Members:

• Mayor Dr. Harvey	• Mayor Pro Tem Emily Hill
--------------------	----------------------------

## Accomplishments

- Committee didn't meet during this quarter

## Challenges

- The biggest challenge was getting the community members, who were invited to serve on the committee, to attend meetings and respond to communication during this quarter. Maybe it was the fall season, personal challenges that caused a change in commitment.

## Next Quarter Goals:

- Rebuild the committee
- Focus on creating a learning community (leadership development, business development, job training, and more)
- Create opportunities to share City updates and hear needs from the community.
