

AGENDA ITEM SUMMARY FORM

MEETING DATE: January 21, 2026
PREPARED BY: Michael Burrell, Development Services Director
DEPARTMENT: Development Services

AGENDA ITEM DESCRIPTION:

Consideration, discussion, and possible action regarding an Ordinance amending Ordinance 492 granting SiEnergy, L.P., a Texas limited partnership, a franchise to, among other things, furnish and supply gas to the general public of the City of Manor, Travis County, Texas to amend the definition of Public Right-of-way; modify the indemnification section; requiring compliance with all regulatory ordinances of the City; providing for other provisions related to the subject matter hereof; providing for a savings clause; and providing an effective date.

BACKGROUND/SUMMARY:

City staff has been working with SiEnergy to determine timing of submittal of maps and plans for the construction of gas lines in proposed subdivisions. From the discussions held, it was determined that an amendment to SiEnergy's franchise agreement ordinance needed to be amended to ensure the process for submittals was covered.
