Subject: Resignation - Cresandra Hardeman P&Z/CIF Committee

Good morning Scott and Mandy,

First of all, I apologize that my initial email did not come through (still not understanding how that happened) that I sent on March 13th.

I am formally submitting to resign from my position on the P&Z Place 3 and CIF committee. Due to personal reasons I am no longer able to fulfill my duties to the committee. I appreciate working with you both and the other members during my time. I hope that things continue to move Manor forward and grow community resources and relationships. Please contact me with any additional items or questions.
