RE: May Monthly Report

The following are accomplishments from May.

1. Rolled out ATT FirstNet to replace cellular devices from Verizon with new FirstNet Devices. This will give Public Works, PD, and others prioritized communications during events and emergencies.
2. Procured new NVRs for cameras around the city and additional resources for the Parks.
3. Deployed a new NVR (Video surveillance monitoring system) with a more cost-effective and flexible system.
4. Tickets opened for the month, 80. Top contributors PD = 10, City Hall = 51, Public Works = 19. No tickets are waiting for customer response or contractor fulfillment.
