§

THIS CONSTRUCTION AGREEMENT (the “Agreement”) is made and entered into on this _____ day of _____, 2025 (the “Effective Date”), by and between the **City of Manor, Texas**, a home-rule city and municipal corporation (hereinafter referred to as the “City”), and **Texas Materials Group, Inc.**, a Texas corporation (hereinafter referred to as “Contractor”). The Contractor and the City and the Contractor may be at times referred to as the “Parties”.

NOW, THEREFORE, in consideration of the promises, mutual terms, conditions and covenants of this Agreement and the accompanying documents between City and Contractor and for and in consideration of payments as set forth therein, the receipt and sufficiency of which are hereby acknowledged, Contractor and the City, agree as follows:

1. **Scope of Services.** Contractor hereby agrees to commence and complete the following project as more specifically described in the Scope of Work attached hereto and incorporated herein as if fully set forth as **Exhibit “A”**, consisting of furnishing all the materials, supplies, machinery, equipment, tools, superintendence, labor, insurance, and other accessories and services necessary to construct and complete the project together with any and all extra work as described in **Exhibit “A”**, and other drawings, maps, plans, specifications and printed or written explanatory matter thereof, all as approved by the City, all of which are made a part hereof, incorporated into this Agreement, and collectively evidence and constitute the entire Agreement (collectively, the “Scope of Work”).
2. **Controlling Document.** Should any term or condition that appears in the Scope of Work contradict or is not consistent with any term of this Agreement, the terms and conditions of this Agreement shall supersede and control over the terms and conditions in the Scope of Work. As a condition of this Agreement, Contractor understands and agrees the City is a municipal corporation of the State of Texas and is bound by certain statutory requirements and limitations when contracting for services. The terms of this Agreement are required to create a binding and legal agreement with the City.
3. **Term.** This Agreement shall be for a term beginning on the Effective Date and ending on September 30, 2025.
4. **Waiver.** Waiver of any breach of this Agreement shall not constitute waiver of any subsequent breach.
5. **Compensation.** In consideration for the services performed by Contractor, the City agrees to pay Contractor from available funds for satisfactory performance of this Agreement in the amounts indicated on the Scope of Work, provided that the total amount for services under this Agreement shall not exceed One Hundred Eighty Thousand and Two Hundred and Thirty Four Dollars and Twenty Cents (\$180,234.20), along with any additional amounts agreed upon by both parties included in the Scope of Work, subject to proper additions and deductions, and City agrees to make payments on account thereof as provided therein. This amount totals all of the projects the Contractor is responsible for under this Agreement. Any increases in Compensation must be detailed in an amendment to this Agreement and are subject to the City’s budget reconciliation process. The City shall pay properly invoiced amounts for services performed within thirty (30) days of receipt of the invoice, except where the City has raised an objection to the invoice. Payment

in full by the City to Contractor shall be made subject to Contractor submitting an affidavit that all bills have been paid in a form acceptable to the City.

6. Time is of the Essence. Contractor agrees that time is of the essence in this Agreement and for each calendar day of delay beyond the time established for completion of the work specified in the Scope of Work, the City may withhold from Contractor's compensation the sum of One Hundred Dollars (\$100.00) as stipulated damages for the delay.

7. WARRANTY AND DEGREE OF CARE. CONTRACTOR WARRANTS THAT ALL SERVICES PROVIDED BY CONTRACTOR SHALL BE PERFORMED IN A GOOD AND WORKMANLIKE MANNER IN ACCORDANCE WITH THE SPECIFICATIONS OF THIS AGREEMENT AND IN ACCORDANCE WITH THE DEGREE OF CARE AND SKILL ORDINARILY EXERCISED UNDER SIMILAR CIRCUMSTANCES BY COMPETENT CONTRACTORS IN TEXAS APPLICABLE TO THE TYPE OF SERVICES CONTEMPLATED HEREUNDER.

8. Non-Discrimination. Contractor hereby agrees to refrain from any activity in the performance of this Agreement that discriminates against any person or persons based upon race, color, creed, national origin, religion, sex, or communicable disease, in accordance with present federal and state laws.

9. Indemnification. Contractor shall indemnify, defend, and hold harmless the City and its officers, agents and employees against all claims, suits, demands, judgments, expenses, including attorney's fees, or other liability for personal injury, death, or damage to any person or property which arises in the performance of this Agreement. This indemnification provision, however, shall not apply to any claims, suits, damage, costs, losses, or expenses arising solely from the negligent or willful acts of the City; provided that for the purposes of the foregoing, the City's entering into this Agreement shall not be deemed to be a "negligent or willful act."

10. Independent Contractor. Contractor shall be fully responsible for its employees, including meeting all state and federal requirements for minimum wage, income tax withholding, workers' compensation, insurance, and all city, state, and federal requirements governing employer/employee relations. Contractor hereby certifies that it shall be and is in compliance with all such regulations, laws and requirements.

11. No Third-Party Benefit. Nothing herein expressed or implied is intended, or shall be construed, to confer upon or give to any person or entity, other than the parties, any right or remedy under or by reason of this Agreement.

12. Although drawn by the City, both Parties hereto expressly agree and assert that in the event of any dispute over its meaning or application, this Agreement shall be interpreted reasonably and fairly, and neither more strongly for nor against either party.

13. This Agreement is to be governed by and shall be construed in accordance with the laws of the State of Texas without regard to conflicts of law principles, thereof. Proper venue for any dispute or litigation shall be only in Travis County, Texas.

14. This Agreement and all rights and obligations contained herein may not be assigned by Contractor without the prior written approval of the City. However, Contractor shall have the right to employ such assistance as may be required for the performance of the project, including the use of subcontractors, which employment shall not be deemed an assignment of the Contractors' rights and duties hereunder.

15. Notices. All notices, consents, demands, requests and other communications which may or are required to be given hereunder shall be in writing and shall be deemed duly given if personally delivered

or sent by United States mail, registered or certified, return receipt requested, postage prepaid, to the addresses set forth hereunder or to such other address as the other party hereto may designate in written notice transmitted in accordance with this provision.
