BACKGROUND/SUMMARY:

During the February 6, 2024, City Council Workshop, the City Council discussed the existing Council Committee assignments and gave staff direction to eliminate the Budget Committee and allow the entire governing body to collectively serve as the official committee. Discussion ensued that the 2022-24 committee assignments would need to be reassigned to allow new chairpersons to be approved. The new assignments will keep the City Council tier structure intact as approved. The City Council will continue to evaluate the committee assignments here in 2024 and allow members to seek new committee assignments and not wait until December 2024 for reappointments and committee assignments to be assigned.
