PROPOSED MEETING DATE: February 5, 2025
PREPARED BY: Scott Moore, City Manager
DEPARTMENT: Administration

AGENDA ITEM DESCRIPTION:

Consideration, discussion, and possible action on authorizing a letter of support for the Senior Access Federal Transit Administration Grant submittal

BACKGROUND/SUMMARY:

The City Council is being requested to support Senior Access' Federal Transit Administration grant, which they requested funds in 2023. Senior Access has utilized FTA 5310 grant proceeds in the past to provide reliable and timely transportation services to Manor senior residents and maintained a consistent level of access for the organization to schedule healthcare appointments weeks in advance without inconveniencing the our senior residents or their family members to assist them with this transportation request. The organization has built a level of trust with our Manor citizens, and we are very fortunate to have the Senior Access organization include our community in their service territory on a regular basis. In 2024, Senior Access provided over 14,000 rides and projected to see the ridership numbers increase here in 2025.
