

AGENDA ITEM SUMMARY FORM

PROPOSED MEETING DATE: July 2, 2025
PREPARED BY: Tyler Shows EIT.
DEPARTMENT: City Engineer

AGENDA ITEM DESCRIPTION:

Consideration, discussion, and possible action to award a Construction Contract for the FM 973 North Waterline Extension.

BACKGROUND/SUMMARY:

Bids were publicly opened and read on June 10th, 2025, for the referenced project. The project consists of installing a waterline, fire hydrants, gate valves, sidewalk, asphalt street repair, concrete repair, chain link fencing repair, irrigation repair, boring, and other incidental work. As reflected on the attached Bid Tabulation, fifteen bids were received. The low bidder was Forsythe Brothers Infrastructure, LLC, with a base bid of \$666,449.29. The process of verifying the Contractor's qualifications is complete. Based on submitted project information, project references, and previous work, Forsythe Brothers Infrastructure, LLC has extensive experience with water line and heavy civil installation.

LEGAL REVIEW: Yes, Shruti Vanaparthi, Assistant City Attorney
FISCAL IMPACT: Yes, FY2022 bond funded project
PRESENTATION: No
ATTACHMENTS: Yes

- Recommendation for Award
- Bid Tabulation
- Agreement for FM 973 North Waterline Extension

STAFF RECOMMENDATION:

It is the City Staff's recommendation that the City Council approve and award the Construction Contract to Forsythe Brothers Infrastructure, LLC for the FM 973 North Waterline Extension and authorize the City Manager to execute the Construction Agreement in an amount not to exceed \$666,449.29.
