

AGENDA ITEM SUMMARY FORM

PROPOSED MEETING DATE: August 11, 2021
PREPARED BY: Scott Dunlop, Director
DEPARTMENT: Development Services

AGENDA ITEM DESCRIPTION:

Consideration, discussion, and possible action on a Final Plat for Manor Heights Phase 2 Section 1B, fifty-three (53) lots on 27.69 acres, more or less, and being located near the intersection of US Hwy 290 E and Old Kimbro Road, Manor, TX.

Applicant: Kimley-Horn and Associates
Owner: Forestar (USA) Real Estate Group

BACKGROUND/SUMMARY:

This plat is associated with Item #19 Manor Heights Phase 2 Section 1A. Originally Sections 1A and 1B had been submitted as one plat but the developer chose to split the section into smaller parts. The plats were still reviewed together by our engineer and they have been approved. Dividing the section raised concerns about access so ESD 12 reviewed the new sections and has approved the layout with the inclusion of a temporary entrance. There is a license agreement regarding the maintenance of parkland/open space lots within the Phase that is under final review by legal so staff is recommending the plat be conditionally approved pending legal’s approval of the license agreement.
