PROPOSED MEETING DATE: July 16, 2025
PREPARED BY: Matt Woodard, Director
DEPARTMENT: Public Works

AGENDA ITEM DESCRIPTION:

Consideration, discussion, and possible action on accepting a lock sculpture donated by the Manor Arts Council.

BACKGROUND/SUMMARY:

On June 16th, the Park Committee reviewed a proposal from the Manor Arts Council to donate a lock sculpture to the city in honor of Thomas Bolt. The committee recommends that the City Council accept this donation.

Initially, it was proposed that the sculpture be placed at Timmermann Park. However, after further inspection of the park locations, the public works staff concluded that Manor Art Park would be a more suitable site for this type of sculpture. This lock sculpture will not only enhance the park's aesthetics but also enrich the experience for all visitors, fostering a deeper appreciation for the arts in our city.

The city would like to accept this generous donation and propose that the sculpture be installed at Manor Art Park.
